York Street Market

Did you know that every Saturday from May to October, York street plays host to a local goods only market that includes vegetables, baked goods, and even beer!

Buy Local

Did you know that some of the best Byward Market businesses including Lapointe Fish, Saslove's, House of Cheese, and the Byward Fruit Market have partnered to create an online shopping platform that allows you to either pick up the complete order in one location or have it delivered!

www.bestofbyward.com

Buy Nothing ByWard

Did you know that our neighbourhood has its own hyper-local gift economy? This amazing facebook based group offers people a way to give and receive, share, lend, and express gratitude between people who are real-life neighbors. A great way to help out neighbours while doing your Spring cleaning!

www.buynothingproject.org

Fit for a Dog!

Did you know that Cathcart Park has an off leash dog friendly area? Just a 10 minute walk from 90 George you'll find quiet streets and friendly pooches. Pro-tip, grab a quick to-go lunch from Kaz Kitchen on your way and enjoy it on the park benches.

Discussion Forum

Did you know that 90 George has an online discussion forum? Go to http://90georgeliving.com/en/forum or scan this QR code with your phone's camera! The first three posts to share a unique Byward 'hidden gem' will receive a prize sourced from a local retailer. Need an account? Contact admin@90georgeliving.com

Improving Accessibility

Did you know that last week was National AccessAbility Week? To better accommodate our residents and remain compliant with Provincial mandates, automatic door openers are being installed in the P1 elevator lobby and entrance to the 4th floor amenities.

Herb Garden

90 George is once again fortunate to have a community maintained herb garden behind the East shed on the communal patio.

Dry Cleaning

Did you know that you can have your dry cleaning picked up and dropped off right from 90 George? Talk to the front desk about setting up an account!

Gym / Pool Reopening

Ottawa Public Health has advised that our gym and pool may re-open and your board is meeting regularly to consider when and how provincial/municipal operating requirements can be satisfied.

Window Cleaning

Missing those perfect views of the Market? Window cleaning is expected to begin the week of 21 June.

Bike Racks

You asked and we listened. Our trusty Superintendent will soon be installing your bike racks at no cost. Coordinate with the front desk before purchasing.

Smoking Kills

According to the Solicitor General of Ontario, smokers' materials including cigarettes and pipes account for 28% of all fatal fires. Lit cigarettes thrown from 90 George balconies represent a real fire hazard and have been responsible for recent property damage.
