

Dear Residents:

Throughout the pandemic, 90 George has endeavoured to adhere to current public health guidance. Recent relaxations to public health guidance through Ontario's Reopening Ontario Act will apply to our condo.

As of Monday, March 21, 2022, in accordance with government guidance, mandatory mask wearing on interior common elements is no longer required. Other requirements, such as screening and distancing, are also lifted. All signage to this effect will be removed.

The Board will continue to monitor public health guidance and adjust accordingly.

Thank you for your cooperation and understanding.

Warm Regards,

Melody Brown
